**Announcements**

**Open House:**

Concordia will be holding its annual Open House on Saturday, November 8<sup>th</sup>. This is an event where prospective students will come and you have the ability to influence their decision in attending Concordia!

This year, the formula will be a bit different in that we'll have space for some societies to have a booth on the 8th floor; this is a great way to showcase your work! If you are interest in having a booth, please email me (president@ecaconcordia.ca). A notice for general volunteering will also be posted soon, so keep the day clear.
